MEMORANDUM FOR: [redacted] STAT
DDL/OCA

FROM: [redacted] STAT
AGC/DO

SUBJECT: Oversight Legislation

1. At the HAC covert action hearing on 31 March, subcommittee Members asked several questions about CIA's views on the pending intelligence oversight legislation. They clearly want to ensure that operations will not be affected adversely by the proposals, and don't fully understand what needs a Finding and what the bill does. They generally indicated a need for more information, especially the impact of the 48-hour rule and liaison concerns.

2. I suggest we send a copy of the Director's HPSCI testimony, and offer to brief the Members or staff further if they desire. Please let me know your views.
